All applications shall be submitted to the Market Manager for review. Only those applicants approved by the Market Manager may sell approved items at the market. If a product is not approved, the Market Manager has previously submitted that product to the Advisory Committee for a recommendation. However, the final decision of whether a product meets the guidelines is within the discretion of the Market Manager. A product is denied if it is felt that the product does not support the mission of the market or exhibit legitimate craftsmanship, as outlined in Appendix "A". **For Artisans, a non-returnable representative sample or photo of the item(s) to be sold at the market must accompany the application.**

Your signature indicates your agreement to abide by the Rules and Guidelines Handbook of the Poplar Head Farmers Market. By signing this application, the applicant is also verifying that the items to be sold at the market have been **grown or created by the vendor**. Vendors and their representatives agree to protect and hold The Downtown Group, Inc., of the City of Dothan, their employees, agents, and representatives harmless and to indemnify such entities from any and all claims, demands, suits, actions, judgments, and recoveries, for or on account of any damage, theft, or injury (including death) to property or person occurring as a result of vendor's use of the Market space for which vendor has been approved, including loss or injury resulting to vendor from any cause whatsoever, including but not limited to electrical or equipment failure.
